Berkeley Study Abroad

Satisfaction of Language Prerequisite

Name _____ SID _____

Language Prerequisite: Check the box next to the program you are applying to and review the language prerequisite.

☐ **Pre-ILP + Spring:** Three semesters of university-level German and enrollment in the Pre-ILP in Berlin
☐ **Spring:** Two years of university-level German by the end of the last term prior to departure
☐ **Spring (advanced only):** At least one upper-division UC course taught entirely in German

Check the appropriate section below to indicate how you intend to satisfy the language prerequisite.

Some important things you may need to do:

☐ If you've taken a language course on a Pass/Not Pass basis, you must have the instructor or the language department email the EAP program adviser what your letter grade would have been.
☐ If you are using courses taken at another institution to satisfy a language requirement, you must provide documentation to verify completion of your coursework. Unofficial transcript copies (e.g. photocopy or online print out) are fine.
☐ If you have any doubts about whether the coursework you have completed at another institution is equivalent to Berkeley coursework, you must consult with the EAP program adviser before applying.

☐ 1. Coursework

☐ **Coursework + pre-ILP in Berlin:** I have completed/will complete German 3 at Berkeley (or the *equivalent* at another institution) prior to departure for the program and will enroll in the pre-ILP in Berlin.
☐ **Coursework Taken at Berkeley**: I have completed/will complete German 4 at Berkeley prior to departure for the program.
☐ **Coursework Taken at Other Institutions**: I have completed/will complete the *equivalent* of German 4 at another institution prior to departure for the program.
☐ **Upper Division Coursework at UC:** I have completed/will complete upper division coursework taught entirely in German at a UC campus by the time of departure for the program. Please indicate the highest level course taught entirely in German you will complete prior to departure:

Course Number/Title: _____ Term: _____ UC Campus: _____

☐ 2. Language Evaluation

If you have not satisfied the language requirement through coursework, but believe you have gained the equivalent language proficiency through experience in a German-speaking environment in the U.S. or abroad:

1. Email Professor Nikolaus Euba, the German Language Program Coordinator in UC Berkeley's Department of German, to request an appointment for a language proficiency assessment. Prof. Euba's email address is euba@berkeley.edu. You should do this weeks before the application deadline to make sure the language evaluation can be completed in time. If you don't do well enough on the language assessment in all four skills - listening, speaking, reading, and writing - you might not be eligible for this program at this time and you may need to choose another program, or continue studying the language until you meet the minimum requirement. Some students are fluent speakers but have less knowledge of grammar.
2. Print a copy of the Language Evaluation Form and bring it to your exam. The results of your evaluation will be recorded on the Language Evaluation Form.
3. Upload a copy of the Language Evaluation Form with your EAP application.
