Language Prerequisite: Check the box next to the program track you are applying to and review the minimum language prerequisite.

- Language & Culture:**
No language prerequisite (zero semesters of university-level French). However, please complete the Language Status section of this form.
- Development Studies:**
Four semesters of university-level French required by the end of the last term prior to departure. Please indicate all courses you *have taken* or *will take* to satisfy the language requirement in the Language Status section of this form.

Some important things you may need to do:

- If you've taken a French language course on a Pass/Not Pass basis, you must have the instructor or the language department email the EAP program adviser what your letter grade would have been.
- If you are using courses taken at another institution to satisfy a language requirement, you must provide documentation to verify completion of your coursework (e.g. photocopy or online print out of transcript).
- If you have not satisfied the language requirement through coursework**, but believe you have gained the equivalent language proficiency through experience in a French speaking culture in the U.S. or abroad, you may have your language skills evaluated to qualify for the program. **A language evaluation is NOT required at the time of application to EAP if you satisfy the language prerequisite through coursework.** To obtain a language evaluation, please follow these steps:
 - Email Carol Dolcini in UC Berkeley's Department of French to request an appointment for a language proficiency assessment. The department's email address is fredept@berkeley.edu
 - Print a copy of the [Language Evaluation Form](#) and bring it to your exam. The results of your evaluation will be recorded on the Language Evaluation Form.
 - Upload a copy of your completed Language Evaluation Form with your EAP Application
