

Berkeley Global Internships

As part of your application for the Global Internships Program you will submit a recent resume. Scroll down for top tips and a sample template to help you prepare this key document based on your internship location.

This guide has been created for internships in Canada. While the top tips are similar to a U.S. style resume, several sections (such as personal interests and student group leadership) are renamed or deleted from the template. Canadian English does have different spellings than American English but incorporate these changes only if you can be 100% consistent. Looking to use technology as a tool? Change the spelling and grammar settings before review.

TOP TIPS FOR YOUR CANADIAN STYLE RESUME

- *Begin each statement with an action verb*
- *Demonstrate skills with specific examples*
- *Show results with numbers, deliverables, or impact*
- *Include a comprehensive list of relevant coursework and technical skills*
- *Avoid formatting distractions: document should be consistent, simple and organized*
- *Proofread, proofread, proofread...then have friends & family proofread again!*
- *Bonus Tip: Keep your LinkedIn profile updated and consistent with your resume*
