

Berkeley Pre-College Scholars: Summer Residential Program 2020

Personal Insight Questions

The Pre-College Scholars Residential program offers students an opportunity to take college-level courses, meet students from around the world, engage in co-curricular activities, and experience residential college life.

All students are required to submit **one paragraph for each of the questions below (maximum of 100 words each)**.

1. What in your academic background prepares you to participate in this program?
2. Please tell us about a facet of your personality that you believe will help you adjust to academic life and living on-campus with other students this summer at UC Berkeley.
