UCEAP Alums

EAP alumni are one of your best resources for information about the program. If you would like to be put in touch with alums, simply send the BSA Adviser an email with your list of questions and the contact information of returnees who have agreed to be contacted will be shared.

UCEAP Alum-Created Resources

Some of our returnees have created presentations to share with others. You can look at their work through the Student Created Resource Google folder that we will continually update.

The more informed you are about the history and current affairs of Argentina and Latin America, the more fulfilling your study abroad experience will likely be. In addition to studying Spanish prior to departure, you are also highly encouraged to attend lectures and events put on by the Center for Latin American Studies at UC Berkeley. You can join CLAS email list for event reminders.
