UCEAP Advising Notes

The COVID-19 pandemic continues to present challenges related to health concerns and international travel. UCEAP has been updating their website’s Coronavirus Notice with up-to-date information on program cancellations for the 2021-2022 cycle. The program described in this Advising Notes document is scheduled to proceed at this time, and UCEAP will inform campus offices if there are any updates.

Date last updated: November 24, 2020

Objective of the Advising Notes Document
This document is an advising tool written by a Berkeley Study Abroad adviser to review program specific details that may impact a student’s decision to apply for a UCEAP program. The document is not a summary of eligibility requirements, academic, housing, application and other logistical details freely available to students on the UCEAP and BSA websites. If any concerns you have are not addressed on the UCEAP website or in the Advising Notes document, please contact the BSA adviser for this program.

**Special Demands of the Program**
Students are responsible for reviewing all informational materials and resources provided by UCEAP and the University of Nicosia and are expected to do independent research on the country of Cyprus and city of Nicosia and the University of Nicosia. Students should also familiarize themselves with the role of race, gender, sexuality, and religion while studying in Cyprus, and develop appropriate expectations according to personal backgrounds and self-identification.
