UCEAP Advising Notes

Objective of the Advising Notes Document
This document is an advising tool written by a Berkeley Study Abroad adviser to review program specific
details that may impact a student’s decision to apply for an EAP program. The document is not a summary of
eligibility requirements, academic, housing, application and other logistical details freely available to students
on the UCEAP and BSA website, and reviewed by a student in the Program Self-Assessment. The best source of
detailed program information is always the UCEAP Program Guide from the prior academic cycle. If any
concerns you have are not addressed on the UCEAP website, in the Program Guide or the Advising Notes
document, please contact the BSA adviser for this program.

UNIVERSITY OF NICOSIA, SPRING SEMESTER

Competitiveness of the Program
Students who meet the minimum eligibility requirements and submit a well-prepared application with an
articulate Statement of Purpose will have a good chance of being selected, but we cannot make guarantees.

Additional Application Materials for the University of Nicosia
Students may need to complete host university application materials after their selection to the program by
Berkeley Study Abroad. Students should note that host university application may require items that may take
additional time to prepare, including, but not limited to, letters of recommendation, official transcript, and
passport-size photos. Please do not take action until you have been given detailed instructions for these
items by UCEAP.

Scholarships
US Citizen Pell Grant recipients are encouraged to apply for the Gilman Scholarship, which offers a possible
award of up to $8000. For more information, visit gilmanscholarship.org

All UCEAP students are encouraged to apply for the UCEAP Promise Award, which offers a $2000 award for
semester programs and $1000 award for summer programs. For more information, visit

Special Demands of the Program

Students are responsible for reviewing all informational materials and resources provided by UCEAP and the University of Nicosia and are expected to do independent research on the country of Cyprus and city of Nicosia and the University of Nicosia.

Students should familiarize themselves with the role of race, gender, sexuality, and religion while studying in Cyprus, and develop appropriate expectations according to personal backgrounds and self-identification. LGBTIQ students are invited to reference the UCEAP LGBTIQ Community Resource Page to learn about host country laws and norms.
