UCEAP Advising Notes

The COVID-19 pandemic continues to present challenges related to health concerns and international travel. UCEAP has been updating their website's Coronavirus Notice with up-to-date information on program cancellations for the 2021-2022 cycle. Please note that certain programs listed in this Advising Notes document have been cancelled for 2021. All other programs listed are scheduled to proceed at this time, and UCEAP will inform campus offices if there are any updates.

The programs that have been cancelled are:
Program & term: Summer Internship, Prague – Summer 2021

Date last updated: February 24, 2021

Objective of the Advising Notes Document
This document is an advising tool written by a Berkeley Study Abroad adviser to review program specific details that may impact a student's decision to apply for a UCEAP program. The document is not a summary of eligibility requirements, academic, housing, application and other logistical details freely available to students on the UCEAP and BSA websites. If any concerns you have are not addressed on the UCEAP website or in the Advising Notes document, please contact the BSA adviser for this program.

Application Process
All UCEAP students must initiate their application through the Berkeley Study Abroad Applicant Portal to be considered for UCEAP participation: http://studyabroad.berkeley.edu/uceap-how-apply. Please take care to
follow the provided instructions! Note for Transfer Students: Students must complete at least one semester at UC Berkeley before departure.

**Competitiveness of the Programs**
Students who meet and maintain the minimum eligibility requirements and submit a complete and well-prepared application with an articulate Statement of Purpose will have a very good chance of being selected.

**CIEE Housing policy in Prague**
Please note that CIEE does not place two students from the same university in the same housing placement, so if you choose to study in Prague with friends from Cal, you will not be allowed to live together.

**Study Czech at Cal before your semester in Prague**
Berkeley offers two years of Czech language instruction, with a strong emphasis on Czech culture. For information on Introductory Czech (Czech 26A & B) and Advanced Czech (Czech 116A & B), please contact Ellen Langer, PhD, Lecturer in Czech Language and Culture, at erlanger@berkeley.edu. You would get so much more out of your semester in Prague if you knew even a semester’s worth of the language upon arrival!

**Scholarships**
Both CIEE (Central European Studies) and CEA (Summer Internship Prague) offers scholarships and grants based on merit and financial need. Students will have access to the online scholarship application once they begin their CIEE or CEA online application.

All UCEAP students are encouraged to apply for the UCEAP Promise Award, which offers a $2000 award for semester programs. For more information, visit the [UCEAP Scholarships](#) page.

US Citizen Pell Grant recipients are encouraged to apply for the Gilman Scholarship, which offers a possible award of up to $5000. For more information, visit [gilmanscholarship.org](http://gilmanscholarship.org).

More information on financial aid and scholarships can be found on our website: [http://studyabroad.berkeley.edu/finances](http://studyabroad.berkeley.edu/finances)

**Passports, Visas and International Travel Prior To the Program**
Your passport must be valid for 6 months beyond the end date of the UCEAP program in the Czech Republic. Check the UCEAP Czech Republic webpage to see the tentative end dates. If you don’t have a valid passport, apply right away so that you have it in your possession by March 1 for Fall, or by September 1 for Spring.

Due to lengthy Czech Republic visa processing times, travel after the UC term ends and before this EAP program is highly discouraged. Please discuss any potential pre-program travel plans with your BSA Adviser. Instructions on travel and Visa/Entry Clearance will be provided in your UCEAP Pre-Departure Portal, which will be available to you after you have been selected for the program.

**Special Demands of the Program**
Students are responsible for reviewing all informational materials and resources provided by UCEAP and CIEE and are expected to do independent research on the Czech Republic, the city of Prague and the surrounding area. Students should also familiarize themselves with the role of race, gender, sexuality, and religion while studying in the Czech Republic, and develop appropriate expectations according to personal backgrounds and self-identification.
