India
UCEAP Advising Notes

Objective of the Advising Notes Document
This document is an advising tool written by a Berkeley Study Abroad adviser to review program specific
details that may impact a student’s decision to apply for a UCEAP program. The document is not a summary
of eligibility requirements, academic, housing, application and other logistical details freely available to
students on the UCEAP and BSA websites. If any concerns you have are not addressed on the UCEAP website
or in the Advising Notes document, please contact the BSA adviser for this program.

Advisor Contact Information

“New Delhi Summer” is the name of the summer UCEAP program in India. The program is administered
on-site by the International Summer School in New Delhi. To learn more about the program, study these links:
Visit the UCEAP India website
Visit the International Summer School (ISS) Delhi website

Program Summary
The summer program in Delhi brings Indian and international students together to attend courses
and discussions that explore Indian politics, economics, history, and sociology. The first four weeks are spent
in Delhi, the nation's largest city and national capital with majestic monuments, diverse places of
worship, and many museums. For the final two-weeks of the program, students participate in community field
service with the relief organization Ritinjali in a rural setting in Rajasthan; undertake a case study on a topic
of your choice, exploring gender studies, local traditions and social practices, or activities that empower and
give voice to women and children. This program is 6 weeks long, from late-June to mid-August.

Application Process
All UCEAP students must initiate their application through the Berkeley Study Abroad Applicant Portal to be
considered for UCEAP participation: http://studyabroad.berkeley.edu/uceap-how-apply. Please take care to
follow the provided instructions!

Competitiveness of the Program
Students who meet and maintain the minimum eligibility requirements and submit a complete and well-
prepared application with an articulate Statement of Purpose will have a very good chance of being selected.

Scholarships
All UCEAP students are encouraged to apply for the UCEAP Promise Award, which offers a $1000 award for
summer programs. For more information, visit the UCEAP Scholarships page.
US Citizen Pell Grant recipients are encouraged to apply for the Gilman Scholarship, which offers a possible award of up to $5000. For more information, visit gilmanscholarship.org

More information on financial aid and scholarships can be found on our website: http://studyabroad.berkeley.edu/finances

Visa and Entry Clearance
Due to the late issuance of entry clearance documents and the time required for visa application processing, travel after the UC term ends and before the official program start date is not recommended.

Special Demands of the Program
Health and safety remain primary issues of concern for study in India, particularly security and motor traffic. The US Department of State Country Page for India is an important resource. Students are responsible for reviewing all informational materials and resources provided by the Department of State, UCEAP and the ISS and are expected to do independent research on the country of India, the city of Delhi and the surrounding area. Students should also familiarize themselves with the role of race, gender, sexuality, and religion while studying in Delhi, and develop appropriate expectations according to personal backgrounds and self-identification. Students should be prepared for the local environment and immediate impact of different gender relationships, especially on female students.

Educate Yourself
Get acquainted with India and your new host city and culture before you leave the U.S. Travel guides and travel-related websites, such as Lonely Planet, are excellent resources. You can keep up with current events in India by reading articles in magazines and newspapers. Local staff also recommend watching the movie Swades before arrival, to give you a perspective of issues and mindset in rural India.
