UCEAP Advising Notes

Objective of the Advising Notes Document
This document is an advising tool written by a Berkeley Study Abroad adviser to review program specific details that may impact a student's decision to apply for an EAP program. The document is not a summary of eligibility requirements, academic, housing, application and other logistical details freely available to students on the UCEAP and BSA website, and reviewed by a student in the Program Self-Assessment. The best source of detailed program information is always the UCEAP Program Guide from the prior academic cycle. If any concerns you have are not addressed on the UCEAP website, in the Program Guide or the Advising Notes document, please contact the BSA adviser for this program.

Advisor Contact Information
The BSA Adviser for Ireland is Katie Weibel (weibel@berkeley.edu). Katie has spent time traveling Ireland and would be happy to discuss the culture with you. Her drop-in hours are Tuesdays 10-12, Fridays 2-4, or by appointment.

Applications 2020-21
You can use the document “Preparing for the UCEAP application” to assist you.
http://studyabroad.berkeley.edu/uceap-how-apply

Berkeley students will start their application via the Berkeley Study Abroad website. From within this interactive application, students will be instructed to complete a secondary application in the MyEAP system.

Placement
To avoid placement delays or rejection, you are encouraged to put the time into developing a strong cover letter and CV with your initial application. The Parliament reserves the right not to accept a student based on the quality of their cover letter and/or CV. The Career Center offers excellent resources and support, which all students are encouraged to take advantage of. You're also welcome to reach out to Katie Weibel (weibel@berkeley.edu) for assistance. You can check this chart to see when students have been placed at your host university in the past.

Housing
For this program, students are placed in a homestay with an Irish family. Most students live in a town called Dalkey. It’s in County Dublin, but on the train it’s about 30 minutes from the school and about 40 minutes from Parliament. The most common situation for students is to be living in a homestay with 1 or 2 other students in the program. Each student will have a single room in the home. Other options would be the only student in a homestay, as well as sharing a double room with your roommate. Breakfast and dinner will be provided during the week, and on weekends you will receive lunch but not breakfast and dinner. Other meals are your own responsibility. Homestays are included in the UCEAP fees and the arrangements are made by the Institute of Public Administration. Homestays are integral to the program and are required for all participants.
Student quote, “It’s impossible to not make friends almost immediately especially with the homestay aspect of the program!”

The train system in Dublin (DART) is very similar to BART.

**Study Center**
Courses usually are about 30 students and are taught by lecturers at the Institute of Public Administration (IPA) in the IPA building, which is located in an attractive, tree-lined suburb of Dublin within easy reach of the Parliament and the city center.

**Cohort**
To see how big the UCB cohorts were per university, check out this chart.

**Delayed Grades from Abroad**
Depending on the host institution, UCEAP will transmit your UCEAP courses, units, and grades to Berkeley up to 90 days after your program officially ends. You cannot be administratively graduated until your UCEAP grades are reported to Berkeley, are posted to your transcript, and a degree audit is conducted. The Berkeley Office of the Registrar only administratively graduates students (a.k.a. degrees are “posted” to transcripts) three times per year: October for students with a summer anticipated graduation date, February for students with a Fall anticipated graduation date, and July for students with a Spring anticipated graduation date. If your EAP grades arrive after degrees are posted for your term of participation, your degree will be processed and posted to your transcript with the next term’s degree list.

You can review this chart to see when students at your host university in the past have had their EAP grades transmitted to the Berkeley Office of the Registrar. Factoring in a 1 to 4-week delay for grades to appear on your Berkeley transcript, determine when your degree is likely to be posted by the Berkeley Office of the Registrar (October, July or February).

If you determine that your grades are likely to arrive later than the term you need to graduate from Berkeley to stay eligible for your graduate program or another post-graduation opportunity, contact the program/employer you are applying to as early as possible. Ask about their policy on delayed graduation due to study abroad participation. Find out how long they can wait for UCEAP grades to be recorded on your official Berkeley transcript and for your degree to be posted by the Berkeley Office of the Registrar.

Ask your graduate program or employer if you can provide some academic information while waiting for your UCEAP grades or Berkeley diploma. If courses and grades do not yet appear on your Berkeley transcript, ask the program/employer if it will accept an official “Verification of UCEAP Coursework.” This is a letter from UCEAP verifying dates of UCEAP attendance and giving the estimated dates of arrival for course titles, units, and grades. You can get this letter from your BSA Campus Adviser or from your UCEAP Academic Specialist for your program. If your UCEAP grades already appear on your Berkeley transcript but you are waiting for your degree to be posted, you can also request a Certificate of Completion. Read more about Transcripts and Diplomas on the Office of the Registrar website.

Some of our returnees have created presentations to share with others. You can look at their work through the Student Created Resource Google folder that we will continually update with tips, example schedules and presentations from students who have participated in this program.

Making friends with locals
When students are able to make friends with locals while studying abroad, their experience is enriched. The recent post How to Make Friends with Locals While Abroad by UCEAP student Elizabeth Lemereand (UCLA) offers advice for students to make meaningful connections while they travel.
