UCEAP Advising Notes

Objective of the Advising Notes Document
This document is an advising tool written by a Berkeley Study Abroad adviser to review program specific details that may impact a student’s decision to apply for an EAP program. The document is not a summary of eligibility requirements, academic, housing, application and other logistical details freely available to students on the UCEAP and BSA website. The best source of detailed program information is always the UCEAP Program Guide from the prior academic cycle. If any concerns you have are not addressed on the UCEAP website, in the Program Guide or the Advising Notes document, please contact the BSA adviser for this program.

Application Process
All UCEAP students must initiate their application through the Berkeley Study Abroad Applicant Portal to be considered for UCEAP participation: http://studyabroad.berkeley.edu/uceap-how-apply. The Berkeley Study Abroad application instructions for Jordan will prompt you to submit an application to CIEE using instructions specific to UCEAP participants. Please take care to follow the provided instructions!

Competitiveness of the Jordan Programs
Students who meet and maintain the minimum eligibility requirements and submit a complete and well-prepared application with an articulate Statement of Purpose will have a very good chance of being selected.
Scholarships
CIEE offers scholarships and grants based on merit and financial need. Students will have access to the CIEE
online scholarship application once they begin their CIEE online application. All UCEAP students are
encouraged to apply for the UCEAP Promise Award, which offers a $2000 award for semester programs. For
more information, visit the UCEAP Scholarships page. US Citizen Pell Grant recipients are encouraged to apply
for the Gilman Scholarship, which offers a possible award of up to $5000. For more information, visit
gilmanscholarship.org. More information on financial aid and scholarships can be found on our website:

Special Demands of the Program
Health and safety remain primary issues of concern for study in Jordan, particularly security and motor traffic.
Students must be prepared to follow all safety and security regulations and guidelines established by UCEAP,
the partner institution, and the U.S. Department of State. Students should review the US Department of State
Jordan country page as well as the UCEAP and CIEE Program Guides to familiarize themselves with risks
associated with visiting Jordan.

Students should also familiarize themselves with the role of race, gender, sexuality, and religion while
studying in Jordan, and develop appropriate expectations according to personal backgrounds and self-
identification. Students should be prepared for the local environment and immediate impact of different
gender relationships, especially on female students. LGBTIQ students are invited to reference the UCEAP
LGBTIQ Community Resource Page to learn about host country laws and norms.
