

UK - England

University of the Arts London - London College of Communication UCEAP Advising Notes

Objective of the Advising Notes Document

This document is an advising tool written by a Berkeley Study Abroad adviser to review program specific details that may impact a student's *decision to apply* for an EAP program. The document is *not* a summary of eligibility requirements, academic, housing, application and other logistical details freely available to students on the UCEAP and BSA website, and reviewed by a student in the Program Self-Assessment. The best source of detailed program information is always the [UCEAP Program Guide](#) from the prior academic cycle. If any concerns you have are not addressed on the UCEAP website, in the Program Guide or the Advising Notes document, please contact the BSA adviser for this program.

Advisor Contact Information

The BSA Adviser for England is Katie Weibel (weibel@berkeley.edu). Katie has spent time traveling England and would be happy to help you learn more about this program. Her drop-in hours are Tuesdays 10-12, Thursdays 1-2, Fridays 2-3, or by appointment.

Applications 2019-20

You can use the document, "Preparing for the UCEAP application" to assist you.

<http://studyabroad.berkeley.edu/uceap-how-apply>

Berkeley students will start their application via the Berkeley Study Abroad website. From within this interactive application, students will be instructed to complete a secondary application in the MyEAP system. Once a student completes the MyEAP application, they will upload it to their Berkeley Study Abroad application. Later on in the process, students will also apply directly to their host university.

Major Restrictions

UAL will only accept applicants with majors that closely match UAL's own majors and pre-requisites. LCC is open to the following majors: Literary Journalism, Media Communications, Media and Cultural Studies, or Game Design

Additional information for LCC: Majors suitable for this program are defined broadly and may include English Language, English Literature, Communication, Media Studies, History, Politics, International Relations, or Sociology. It is important that the applicant's personal statement demonstrates a strong academic/professional interest in journalism/media. This interest can be grounded in the major or minor, but it can also be enhanced by journalism experience outside formal education such as internships, project work, and work experience

Courses

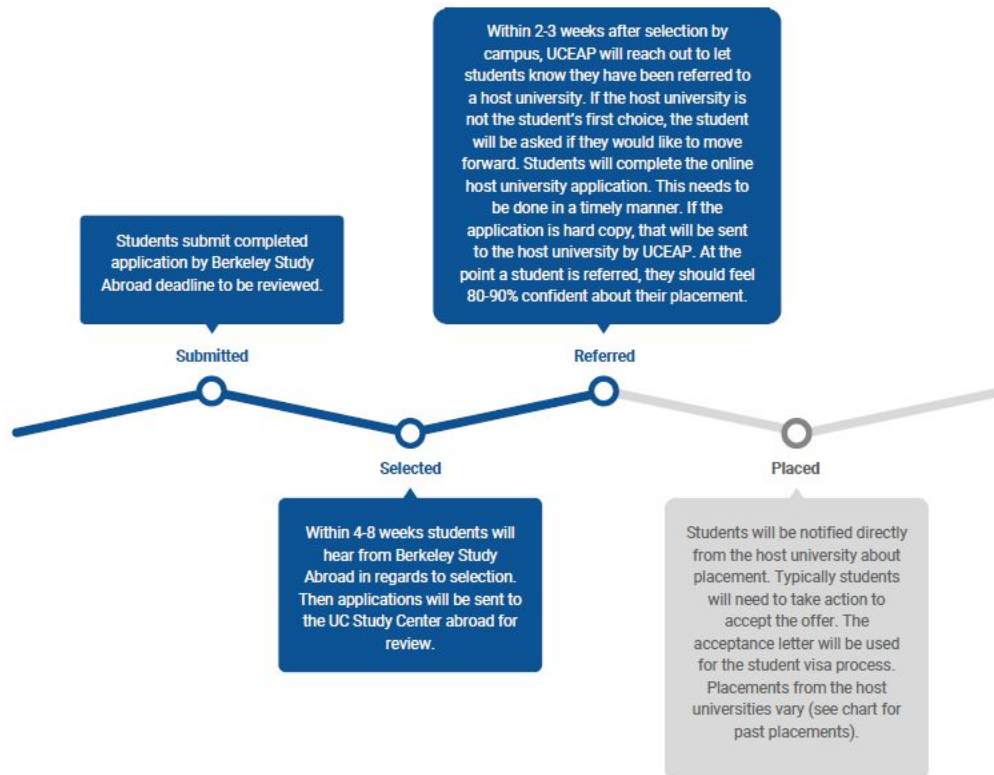

Students choose a track with set courses depending on the term. Please note you cannot combine courses from different tracks.

Impacted Program

This program has a very limited number of spaces. In late February (for fall/year applicants), or late June (for Spring applicants), you will be notified if you need to complete UAL's own online application. If you are not selected at that time you will be asked if you would like to submit documents to apply to another university in the UK. If you are interested in submitting an application for a 'back-up' option, please contact UAL Adviser Katie Weibel (weibel@berkeley.edu) before the application deadline.

To make a strong application for this program, I encourage students to craft a very strong statement of purpose. This is read by the admissions department at LCC. Make sure to make strong connections to the courses you intend to take, the mission of the university, and the mission of the department.

Selection Timeline and Terminology

Selection into the UAL-LCC program happens at the campus level. Your application is then forwarded to UCEAP and the UK for further review. The Resident Director in London will select your application for "referral" to a specific host university. The UCEAP office will then notify you via email to check your "referral" status on MyEAP. After students complete all necessary pre-departure paperwork and procedures, their status will be changed to "placed." In almost all instances, your "referral" equals your "placement." Placement at UAL-LCC over the last couple years have come in September/October for spring students and May for fall students. You can check this [chart](#) to see when students have been placed at your host university in the past.

If placement at any institution other than your first choice host university is not acceptable to you, you can consider an [independent study abroad](#) programs or look into applying directly to the university.

Accommodation

Students are responsible for arranging their own housing. UAL accommodation is available to UCEAP students, but it is not guaranteed. Students should apply early for UAL housing. Additional information can be found here: <http://www.arts.ac.uk/study-at-ual/accommodation/>. In addition to UAL accommodation, UCEAP will provide students with information about external housing providers, or students can find their own accommodation.

Non-US Citizens

Non-US citizens may be required by the host university to submit an English Language Certificate (no more than 2 years old, showing your English language level of B2 or above). ETS tests such as the TOEFL are no longer accepted as evidence of English language ability. You should take a test with an alternative provider from this official list:

<https://www.gov.uk/government/publications/guidance-on-applying-for-uk-visaapproved-english-language-tests>.

Cohort

This program allows students to take courses alongside local British students, as well as international and UC system-wide students. To see how big the UCB cohorts were per university, check out this [chart](#).

Delayed Grades from Abroad: [Important for Seniors](#)

Depending on the host institution, UCEAP will transmit your UCEAP courses, units, and grades to Berkeley up to 90 days after your program officially ends. You cannot be administratively graduated until your UCEAP grades are reported to Berkeley, are posted to your transcript, and a degree audit is conducted.

The Berkeley Office of the Registrar only administratively graduates students (a.k.a. degrees are “posted” to transcripts) three times per year: October for students with a summer anticipated graduation date, February for students with a Fall anticipated graduation date, and July for students with a Spring anticipated graduation date. If your EAP grades arrive after degrees are posted for your term of participation, your degree will be processed and posted to your transcript with the next term’s degree list.

You can review this [chart](#) to see when students at your host university in the past have had their EAP grades transmitted to the Berkeley Office of the Registrar. Factoring in a 1 to 4-week delay for grades to appear on your Berkeley transcript, determine when your degree is likely to be posted by the Berkeley Office of the Registrar (October, July or February).

If you determine that your grades are likely to arrive later than the term you need to graduate from Berkeley to stay eligible for your graduate program or another post-graduation opportunity, contact the program/employer you are applying to as early as possible. Ask about their policy on delayed graduation due to study abroad participation. Find out how long they can wait for UCEAP grades to be recorded on your official Berkeley transcript and for your degree to be posted by the Berkeley Office of the Registrar.

Ask your graduate program or employer if you can provide some academic information while waiting for your UCEAP grades or Berkeley diploma. If courses and grades do not yet appear on your Berkeley transcript, ask the program/employer if it will accept an official “Verification of UCEAP Coursework.” This is a letter from UCEAP verifying dates of UCEAP attendance and giving the estimated dates of arrival for course titles, units, and grades. You can get this letter from your BSA Campus Adviser or from your UCEAP Academic Specialist for your program. If your UCEAP grades already appear on your Berkeley transcript but you are waiting for your degree to be posted, you can also request a Certificate of Completion. Read more about Transcripts and Diplomas on the Office of the Registrar website.

EAP Alums

EAP alumni are one of your best resources for information about the program. If you would like to be put in touch with alums, simply send the BSA Adviser an email with your list of questions and the contact information of returnees who have agreed to be contacted will be shared.

EAP Alum-Created Resources

Some of our returnees have created presentations to share with others. You can look at their work through the [Student Created Resource Google folder](#) that we will continually update with tips, example schedules and presentations from students who have participated on this program.
